Case No. CF-2025-73

**APPLICATION FOR DETERMINATION OF COMPETENCY**

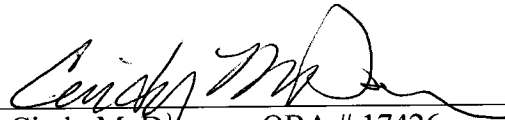

COMES NOW Cindy M. Dawson for the above-named Defendant and makes this timely Application for a Determination of the Defendant's Competency under 22 O.S. '1175.1 et seq. Pursuant, counsel would show:

1. Attorney's attempts to discuss this case with Defendant lead attorney to believe that the Defendant does not have the present ability to understand the nature of the charges and proceedings brought against him nor does he have the ability to effectively and rationally assist counsel in his defense.

2. Defendant will not, and perhaps cannot, communicate on any meaningful level with defense counsel.

**WHEREFORE**, I respectfully request that this Court set a hearing to examine this Application and to determine whether there are facts sufficient to raise a doubt as to the competency of the Defendant; further, I request that the underlying criminal proceedings be postponed pending the determination of the Defendant's competency.

Respectfully requested,

Cindy M. Dawson, OBA # 17426
